MEET OUR NEW DIRECTOR!

SHEILA (HIGHBARGER) JAMES

As a life-long resident of rural Leon, a 1980 graduate of Bluestem High and former BHS secretary, I'm proud to be working back in our community in a job which helps others. The Leon Senior Center operates on a quarterly mill levy gift and fundraisers. Our center provides a daily lunch during the week and delivers meals to a number of people within the community. The center offers daytime activities and an occasional evening event. It is a place to gather and talk, play games, or read a book. My goal is to help the center build up their savings while providing fun and informative activities for more of our seniors. I have much to learn about our center and its members. And they have much to learn about me. I encourage everyone, especially those who spend time or grew up in our community, to join me in giving back. There are so many ways you can help! I am excited to be the change! We can all be a part of that change, to help build a stronger hometown and find enjoyment with neighbors and friends. Stop by to visit as soon as you can. There are so many positive things happening in Leon!
