The Flemings did sign the Easement order for the water meter and did pay for the publication of the ordinance to vacate public access to complete the previous transfer of land. There is a work session April 13th at 6:00 with Ranson Financial and Wilson Engineering.

Maintenance Report:

Lead and Copper training will be coming up and it is encouraged for the council and clerk, along with Maintenance to attend. Bruce Proctor had a meeting with the County, and they can do the chip and seal for us since we are a 3rd class city for their price. The council discussed their plan to get what roads ready that needed it and to plan on doing South St. and then as many others as possible within our budget. Stadium Dr. will take some time to get ready and so for now we will lay rock and work it for the next year to prepare it for the county. The maintenance department is to get a list of streets they feel are good, the ones that need to be worked, and the ones we can do this year. The culvert just South of Mauldin's house needs to be cleared so things can drain. Butch is to call Vern and ask what roads will be done with the warranty from last year and get that scheduled.

Law Report/ Code Enforcement:

Law report was discussed.

Steve Schuetz made a motion to approve training for April 5, 2022, for Chief Howard and Michael Bryant. Kyle Hrabec 2nd. Motion carried 5-0.

Steve Schuetz made a motion to approve the replacement of ammunition used in training. Kyle Hrabec 2nd. Motion carried 5-0. Council directed schedules need to be completed in a timely manner, Officers need to not work together, and more shifts need covered. Communication needs to improve. Two officers are not needed for the Easter Egg hunt and there needs to be more community involvement.
