and greatest supporter!
She has worked on so many projects
already and never complains about
how big the job or how dirty!

If I have a vision,
she makes it happen!
Mom has
always been my hero!
When the center hired me,
they got a 2 for 1!
Thank you mom!
I love you!

Bluestem alumni Dawn Mason Spaht
has been helping in my office sorting,
organizing files and working on IT
projects. Dawn lives with her husband
Rod in Augusta. I appreciate her
knowledge and willingness
to organize the
business side of the center!
When I asked for help she came quick
without hesitation!
Thank you my friend!
